Factors which are material for the purpose of assessing the market risks associated with Bond

The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in this Securities Note and/or Registration Document or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Bonds and be familiar with the behaviour of the financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

1. Risk factors

All investments in interest bearing securities have risk associated with such investment. The risk is related to the general volatility in the market for such securities, varying liquidity in a single bond issue as well as company specific risk factors. The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds. An investment in the Bonds entails significant risks and is suitable only for investors who understand the risk factors associated with this type of investment and who can afford a loss of all or part of its investment. In case of a bankruptcy, the bondholder risk losing its entire investment, and an eventually settlement will not take place until the bankruptcy proceedings have been completed.

In each category below the Issuer sets out the most material risks with respect to investing in the bonds. The most material risk, in the Issuer's assessment within each risk category, taking into the negative impact of such risk on the Issuer and the Bonds and the probability of its occurrence are set first.

Structural subordination

The Issuer's obligations under the Bonds are subordinated

The claims of Bondholders against the Issuer in respect of payments of principal and interest on the Bonds will, in the event of the liquidation, dissolution, administration or other winding-up of the Issuer by way of public administration, be subordinated in right of payment to the claims of all Senior Creditors of the Issuer. "Senior Creditors" means all creditors of the Issuer who are policyholders or other unsubordinated creditors of the Issuer. There is a real risk that an investor in the Bonds will lose all or some of his investment should the Issuer become insolvent.

The Bonds are subject to optional redemption by the Issuer

The Bonds are subordinated and unsecured and the Issuer has no obligation to redeem or prepay the Bonds. The Bondholders have no right to call for the Bonds redemption or otherwise request prepayment or redemption of the principal amount of the Bonds, except upon actual bankruptcy or liquidation of the Issuer. The Issuer may at its discretion redeem the Bonds on 16. September 2024 (the "First Call Date"), or on any Interest Payment Date thereafter. The Issuer may furthermore redeem the Bonds at any time upon the occurrence of a Capital Disqualification Event, a Rating Agency Event or a Taxation Event. The right of the Issuer to redeem the Bonds is conditional upon (i) no Capital Requirement Breach having occurred or is likely to occur as a result of a redemption, (ii) prior consent of the Issuer Supervisor and (iii) the provisions of clause 3.9 in the Bond Terms (as applicable), redeem all (but not only some) of the outstanding Bonds at the Redemption Price, without premium or penalty. The optional redemption feature of the Bonds is likely to limit their market value. During any period when the Issuer may elect to redeem the Bonds, their market value generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem the Bonds when its cost of borrowing is lower than the interest rate on the Bonds. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Bonds being redeemed and may only be able to do so at a lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time. It shall also be noted that the Issuer may choose not to redeem the Bonds at the First Call Date or at any other time thereafter until Maturity Date, and that the Issuer Supervisor may prevent the Issuer to redeem the Bonds at Maturity Date. As a consequence of the foregoing, there is a risk that the Bonds are not redeemed by the Issuer at the Maturity Date and that the Bondholders as a result do not receive payment of the principal amount of the Bonds.

Under certain conditions, interest payments under the Bonds may be optionally or mandatorily deferred

The payment obligations by the Issuer under the Bonds are conditional upon the Issuer not being in breach of Applicable Regulations at the time of payment, and still not being in breach of Applicable Regulation immediately thereafter. If no distribution or dividend or other payment (including payment in relation to redemption or repurchase) has been made on or in respect of any Junior Obligations or Parity Obligations since the date as provided for in the Bond Terms and provided such Interest Payment Date is not a Mandatory Interest Deferral Date, the Issuer shall be entitled to defer payment of interest accrued in respect of the Bonds and any such deferral shall not constitute a default in respect of the Bonds. The Issuer must defer such interest payment on any Mandatory Interest Deferral Date and any such deferral shall not constitute a default in respect of the Bonds. All deferred interest on the Bonds shall become due and payable. After the Issuer has fully paid all deferred interest on the Bonds, if the Bonds remain outstanding, future interest payments on the Bonds will be subject to further deferral as described above. Any deferral of interest payments is likely to have an adverse effect on the market price of the Bonds. In addition, as a result of the interest deferral provision of the Bonds, the market price of the Bonds may be more volatile than the market prices of other debt securities on which original issue discount or interest accrues that are not subject to such deferrals and may be more sensitive generally to adverse changes in the Issuer's financial condition.

Under certain conditions, amounts of principal and corresponding interest may be reduced

Under Norwegian legislation, the Issuer's subordinated capital (which would include principal and corresponding interest thereon in respect of the Bonds) may, in certain circumstances, be cancelled. To the extent that only part of the outstanding principal amount of the Bonds has been cancelled as provided above, interest will continue to accrue in accordance with the Bond Terms on the then remaining outstanding principal amount of the Bonds.

There are no events of default under the Bonds

The Bond Terms do not provide for events of default allowing acceleration of the Bonds if certain events occur. Accordingly, if the Issuer fails to meet any obligations under the Bonds, including the payment of any interest, investors will not have the right of acceleration of principal. Upon a payment default, the sole remedy available to Bondholders for recovery of amounts owing in respect of any payment of principal or interest on the Bonds will be the institution of proceedings to enforce such payment. Notwithstanding the foregoing, the Issuer will not, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

Regulatory risk

Changes to the Solvency II Directive

The Issuer is subject to the Solvency II Directive. Changes to this directive may result in the Bonds no longer being eligible to count as cover for the capital or solvency requirements for the Issuer. This would lead to a Capital Disqualification Event, where the bonds could be redeemed by the issuer at a price that could be lower than the market value at the time of redemption.

Changes in ranking and terms

No limitation on issuing further debt and guarantees

There is no restriction on the amount of debt which the Issuer may issue ranking equal or senior to the obligations. Such issuance of further debt may reduce the amount recoverable by the Bondholders upon insolvency or winding-up of the Issuer or may increase the likelihood that payments of the principal amount or interest under the Bonds will be mandatorily deferred or may, in the case of interest payments, be deferred at the option of the Issuer.

Market risks related to the Bonds

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

Spread risk - Changes in market spread

The Bonds will bear interest at a floating rate which will be based on two components, namely the 3-months STIBOR and the Margin. Since the Margin is fixed at the time of issuance of the transaction. Bondholders are subject to the risk that the Margin does not reflect the spread that investors require in addition to the 3-month STIBOR as a compensation for the risks inherent in the Bonds (market spread). The market spread typically changes on a daily basis. As the market spread changes, the price of the Bonds changes in the opposite direction. A decrease in the market spread has a positive impact on the price of the Bonds; an increase in the market spread has a negative impact on the price of the Bond. However, the price of the Bonds is subject to changes in the market spread, changes in the 3-months STIBOR or both. Bondholders should be aware that movements in the market spread can adversely affect the price of the Bonds and can lead to losses for the Bondholders. In addition, Bondholders are exposed to reinvestment risk with respect to proceeds from coupon payments or early redemptions by the Issuer. If the market yield (or market spread respectively) declines, and if Bondholders want to invest such proceeds in comparable transactions, Bondholders will only be able to reinvest such proceeds in comparable transactions at the then prevailing lower market yields (or market spreads respectively).

Credit risk - The market value of the Bonds could decrease if the creditworthiness of the Issuer deteriorates

If the likelihood that the Issuer will be in a position to fully perform all obligations under the Bonds when they fall due decreases, for example, because of the materialisation of any of the risks regarding the Issuer, the market value of the Bonds will be materially and adversely affected. In addition, even if the likelihood that the Issuer will be in position to fully perform all obligations under the Bonds when they fall due actually has not decreased, market participants could nevertheless have a different perception. In addition, the market participants' estimation of the creditworthiness of corporate debtors in general or debtors operating in the same business as the Issuer could adversely change. If any of these risks occurs, third parties would only be willing to purchase Bonds for a lower price than before the materialisation of the aforementioned risk. Under these circumstances, the market value of the Bonds will decrease.

Credit ratings may not reflect all risks

The Bonds are, at the date of the Prospectus, rated by S&P. S&P is established in the European Economic Area (EEA) and registered under Regulation (EC) No 1060/2009, as amended (the CRA Regulation) and are, as of the date of this Prospectus, included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (<http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Bonds. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the Rating Agency at any time.

Mandatory Deferral of Interest

The Issuer will on any Mandatory Interest Deferral Date by notice to the Bond Trustee (together with a certificate signed by authorised signatories of the Issuer confirming the relevant Interest Payment Date is a Mandatory Interest Deferral Date) defer payment of all (but not only some) of the Interest accrued but unpaid to that date.

Payment of Deferred Interest

- (a) Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at the next Interest Payment Date which is not a Mandatory Interest Deferral Date.
- (b) Arrears of Interest shall, subject to prior approval from the Issuer Supervisor (to the extent required under the Applicable Regulations), be paid in whole on a date which is not a Mandatory Interest Deferral Date at the earliest of:

 - (iii) the date of a Bankruptcy Event; or
 - (iv) the date on which the Issuer pays, or any other person declares or pays, any distribution or dividend or makes any payment (including payment in relation to redemption or repurchase) on or in respect of any Junior Obligations or Parity Obligations, or the date on which any dividend or other distribution or payment (including payment in relation to redemption or repurchase) on or in respect of the Issuer's share capital is paid.

Interest will not accrue on Arrears of Interest.

The term "deferral of interest" shall be understood in accordance with the Applicable Regulations.

Mandatory Deferral:

No Bonds shall be redeemed on the Maturity Date, or prior to the Maturity Date pursuant to the relevant provisions on Optional Redemption, if the date set for redemption is a Mandatory Redemption Deferral Date and redemption shall be deferred ("Mandatory Deferral"). Any failure to pay

principal due to a Mandatory Deferral shall not constitute a default by the Issuer for any purpose, provided that nothing shall be construed to permit the Issuer to defer any principal otherwise due and payable except under the circumstances specified in the definition of Mandatory Redemption Deferral Date.

Notwithstanding that the date set for redemption may be a Mandatory Redemption Deferral Date, the Bonds may be redeemed and the relevant redemption amount may still be paid to the extent permitted under, and in accordance with, the Applicable Regulations.

The Issuer shall notify the Bond Trustee (on behalf of the bondholders) and the Paying Agent no later than five (5) Business Days prior to any date set for redemption of the Bonds if such redemption is to be deferred, provided that if the conditions to the date set for redemption being a Mandatory Redemption Deferral Date are satisfied less than five (5) Business Days prior to the date set for redemption, the Issuer shall give notice of such deferral as soon as reasonably practicable following the occurrence of such event.

If redemption of the Bonds does not occur on the Maturity Date or, as appropriate, the date specified in the relevant Redemption Notice by the Issuer, as a result of a Mandatory Deferral the Issuer shall (subject, in the case of paragraphs (a) and (b) below only, to the provisions of subordination and to receiving the prior approval of the Issuer Supervisor (if required)), redeem such Bonds at their principal amount together with any Arrears of Interest and any other accrued and unpaid interest, upon the earliest of:

- (a) the date falling ten (10) Business Days after the first date which immediately follows the date set for redemption and which is not a Mandatory Redemption Deferral Date (unless such 10th Business Day is itself a Mandatory Redemption Deferral Date, in which case this paragraph will apply mutatis mutandis to determine the due date for redemption of the Bonds); or
- (b) the date falling ten (10) Business Days after the Issuer Supervisor has agreed to the repayment or redemption of the Bonds; or
- (c) the date of a Bankruptcy Event,

and the Issuer shall give the Redemption Notice to the Bond Trustee (on behalf of the bondholders) and the Paying Agent as soon as reasonably practicable following the occurrence of the relevant event triggering such redemption.

If the Mandatory Deferral provisions do not apply, but redemption of the Bonds does not occur on the Maturity Date or, as appropriate, the date specified in the relevant

Redemption Notice by the Issuer because the Issuer was not or would not be solvent, subject to receiving the prior approval of the Issuer Supervisor (if required), such Bonds shall be redeemed at their principal amount together with any Arrears of Interest and any other accrued and unpaid interest on the 10th Business Day immediately following the day that (A) the Issuer is solvent and (B) the redemption of the Bonds would not result in the Issuer ceasing to be solvent, provided that if such Business Day specified for redemption is a Mandatory Redemption Deferral Date, then the Bonds shall not be redeemed on such date and the provisions above shall apply mutatis mutandis to determine the due date for redemption of the Bonds.

Optional Redemption:

Issuer may on the First Call Date or any Interest Payment Date thereafter, if the Issuer provides satisfactory evidence to the Bond Trustee (on behalf of the Bondholders), that (i) in the opinion of the Issuer Supervisor no Capital Requirement Breach has occurred or is likely to occur as a result of a redemption, and (ii) the Issuer has received prior consent of the Issuer Supervisor, redeem in a manner permitted by any Applicable Regulations and other applicable law all (but not only some) of the outstanding Bonds at the Redemption Price, without any premium or penalty.

If the Issuer and/or the Issuer Group is in a Capital Requirement Breach or repayment or redemption would lead to such Capital Requirement Breach, redemption may be made notwithstanding (i) and/or (ii) above if:

- (i) the Issuer Supervisor has exceptionally waived the suspension of repayment or redemption of that item;
- (ii) the item is exchanged for or converted into another Tier 2 or basic own-fund item of at least the same quality; and
- (iii) the Minimum Capital Requirement is complied with after the repayment or redemption.

Exercise of an Optional Redemption shall be notified in writing to the Bondholders in accordance with the Bond Terms paragraph (b) of Clause 8.3 (Notices) at least thirty (30) Business Days prior to the relevant redemption date (the "Redemption Notice").

If the Issuer provides satisfactory evidence to the Bond Trustee (on behalf of the Bondholders), that a;

- (i) Capital Disqualification Event;
- (ii) Rating Agency Event; or
- (iii) Taxation Event;

has occurred when the Bonds are outstanding, the Issuer may subject to (i) no Capital Requirement Breach having occurred or would occur as a result of a redemption, (ii) prior consent of the Issuer Supervisor, and (iii) the

	<p>provisions of paragraph (c) of the Bond Terms Clause 3.9 (Preconditions to redemption, purchase, variation or substitution) below (as applicable), redeem all (but not only some) of the outstanding Bonds at the Redemption Price, without any premium or penalty.</p> <p>Exercise the Optional Redemption shall be notified by a Redemption Notice.</p>
Issue Price:	100 % of Face Value.
Yield:	Investors wishing to invest in the Bonds after the Issue Date must pay the market price for the Bonds in the secondary market at the time of purchase. Depending on the development in the bond market in general and the development of the Issuer, the price of the Bonds may have increased (above par) or decreased (below par). As the Bonds have a floating reference rate, it is the market's expectations of risk premium, i.e. margin that affects the price. If the price has increased, the yield for the purchaser in the secondary market, given that the reference rate does not change, will be lower than the interest rate of the Bonds and vice versa.
Business Day:	Any day on which the CSD settlement system is open and the relevant currency settlement system is open.
Redemption:	Matured interest and matured principal will be credited each Bondholder directly from the CSD. Claims for interest and principal shall be limited in time pursuant the Norwegian Act relating to the Limitation Period Claims of May 18 1979 no 18, p.t. 3 years for interest rates and 10 years for principal.

	Bondholders may only demand prepayment in the event of a Bankruptcy Event.

5. Additional information

Storebrand Livsforsikring AS is not aware that there is any interest, nor conflicting interests, that is material to the Bonds.

Storebrand Livsforsikring AS appointed Danske Bank, Norwegian Branch and DNB Bank ASA, DNB Markets as Arrangers for the issuance of the Tier 2 Bonds. The Arrangers has acted as advisors to Storebrand Livsforsikring AS in relation to the pricing of the Bonds.

The Arrangers and/or any of their affiliated companies and/or officers, directors and employees may be a market maker or hold a position in any instrument or related instrument discussed in this Securities Note, and may perform or seek to perform financial advisory or banking services related to such instruments. The Arranger's may act as managers or co-managers for this Issuer in private and/or public placements and/or resale not publicly available or commonly known.

Storebrand Livsforsikring AS is rated A-, with a stable outlook by the credit rating agency S&P Global Ratings Europe Limited (S&P).

The Bonds were, at the date of issue, rated BBB by S&P. An obligation rated 'BBB' exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation.

S&P is established in the European Economic Area (EEA) and registered under Regulation (EC) No 1060/2009, as amended (the CRA Regulation) and are, as of the date of this Prospectus, included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (<http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation.

A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the Rating Agency at any time.

- (b) The Interest Rate shall be calculated based on the Day Count Convention.
- (c) If FRN, the Interest Rate shall be adjusted by the Bond Trustee on each Interest Quotation Date during the term of the Bonds. The Issuer may on any Optional Interest Deferral Date by notice to the Bond Trustee defer payment of all (but not only some) of the Interest accrued but unpaid to that date.

3.5.2 Mandatory Deferral of Interest

The Issuer will on any Mandatory Interest Deferral Date by notice to the Bond Trustee (together with a certificate signed by authorised signatories of the Issuer confirming the relevant Interest Payment Date is a Mandatory Interest Deferral Date) defer payment of all (but not only some) of the Interest accrued but unpaid to that date.

3.5.3 Payment of Deferred Interest

- (a) Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at the next Interest Payment Date which is not a Mandatory Interest Deferral Date.
- (b) Arrears of Interest shall, subject to prior approval from the Issuer Supervisor (to the extent required under the Applicable Regulations), be paid in whole on a date which is not a Mandatory Interest Deferral Date at the earliest of:
 - (i) the next Interest Payment Date which is a Compulsory Interest Payment Date or seven (7) days after the date when the requirements for a Compulsory Interest Payment Date would be deemed to be satisfied, if such date falls earlier than the next Interest Payment Date;
 - (ii) the date of any redemption of the Bonds in accordance with the terms and conditions for the Bonds;
 - (iii) the date of a Bankruptcy Event; or
 - (iv) the date on which the Issuer pays, or any other person declares or pays, any distribution or dividend or makes any payment (including payment in relation to redemption or repurchase) on or in respect of any Junior Obligations or Parity Obligations, or the date on which any dividend or other distribution on or payment

(including payment in relation to redemption or repurchase) on or in respect of the Issuer's share capital is paid.

3.5.4 Interest will not accrue on Arrears of Interest.

3.5.5 The term "deferral of interest" shall be understood in accordance with the Applicable Regulations.

3.6 **Mandatory Deferral**

- (a) No Bonds shall be redeemed on the Maturity Date, or prior to the Maturity Date pursuant to the relevant provisions on Optional Redemption, if the date set for redemption is a Mandatory Redemption Deferral Date and redemption shall be deferred ("**Mandatory Deferral**"). Any failure to pay principal due to a Mandatory Deferral shall not constitute a default by the Issuer for any purpose, provided that nothing shall be construed to permit the Issuer to defer any principal otherwise due and payable except under the circumstances specified in the definition of Mandatory Redemption Deferral Date.
- (b) Notwithstanding that the date set for redemption may be a Mandatory Redemption Deferral Date, the Bonds may be redeemed and the relevant redemption amount may still be paid to the extent permitted under, and in accordance with, the Applicable Regulations.
- (c) The Issuer shall notify the Bond Trustee (on behalf of the bondholders) and the Paying Agent no later than five (5) Business Days prior to any date set for redemption of the Bonds if such redemption is to be deferred, provided that if the conditions to the date set for redemption being a Mandatory Redemption Deferral Date are satisfied less than five (5) Business Days prior to the date set for redemption, the Issuer shall give notice of such deferral as soon as reasonably practicable following the occurrence of such event.
- (d) If redemption of the Bonds does not occur on the Maturity Date or, as appropriate, the date specified in the relevant Redemption Notice by the Issuer, as a result of a Mandatory Deferral the Issuer shall (subject, in the case of paragraphs (a) and (b) below only, to the provisions of subordination and to receiving the prior approval of the Issuer Supervisor (if required)), redeem such Bonds at their principal amount together with any Arrears of Interest and any other accrued and unpaid interest, upon the earliest of:
 - (i) the date falling ten (10) Business Days after the first date which immediately follows the date set for redemption and which is not a Mandatory Redemption Deferral Date (unless such 10th Business Day is itself a Mandatory Redemption Deferral Date, in which case this paragraph will apply *mutatis mutandis* to determine the due date for redemption of the Bonds); or
 - (ii) the date falling ten (10) Business Days after the Issuer Supervisor has agreed to the repayment or redemption of the Bonds; or
 - (iii) the date of a Bankruptcy Event,

and the Issuer shall give the Redemption Notice to the Bond Trustee (on behalf of the bondholders) and the Paying Agent as soon as reasonably practicable following the occurrence of the relevant event triggering such redemption.

- (e) If the Mandatory Deferral provisions do not apply, but redemption of the Bonds does not occur on the Maturity Date or, as appropriate, the date specified in the relevant Redemption Notice by the Issuer because the Issuer was not or would not be solvent, subject to receiving the prior approval of the Issuer Supervisor (if required), such Bonds shall be redeemed at their principal amount together with any Arrears of Interest and any other accrued and unpaid interest on the 10th Business Day immediately following the day that (A) the Issuer is solvent and (B) the redemption of the Bonds would not result in the Issuer ceasing to be solvent, provided that if such Business Day specified for redemption is a Mandatory Redemption Deferral Date, then the Bonds shall not be redeemed on such date and the provisions above shall apply *mutatis mutandis* to determine the due date for redemption of the Bonds.
- (f) At the same time as delivering any notice of deferral of redemption to the Bond Trustee (on behalf of the bondholders), the Issuer shall send to the Bond Trustee a certificate signed by an authorised signatory of the Issuer confirming that the relevant date set for redemption is or is not (as applicable) a Mandatory Redemption Deferral Date. Any such certificate shall, in the absence of manifest error, be treated and accepted by the Issuer, the Bond Trustee (on behalf of the bondholders) and all other interested parties as correct and sufficient evidence thereof, shall be binding on all such persons and the Bond Trustee shall be entitled to rely on such certificate without liability to any person.

3.7 Optional Redemption

- (b) If the Issuer and/or the Issuer Group is in a Capital Requirement Breach or repayment or redemption would lead to such Capital Requirement Breach, redemption may be made notwithstanding (i) and/or (ii) above if:
 - (i) the Issuer Supervisor has exceptionally waived the suspension of repayment or redemption of that item;
 - (ii) the item is exchanged for or converted into another Tier 2 or basic own-fund item of at least the same quality; and
 - (iii) the Minimum Capital Requirement is complied with after the repayment or redemption.

- (e) Exercise of the Optional Redemption shall be notified by a Redemption Notice.

3.8 The Issuer's acquisition of Bonds

- (a) The Issuer or any of its subsidiaries may at any time purchase Bonds in any manner at any price, subject to (i) prior consent of the Issuer Supervisor, and in the case of purchase within the period of five (5) years from the Issue Date, (ii) such purchase shall be funded out of the proceeds from new issuance of capital of at least the same quality as the Bonds (unless such requirement no longer is required under the Applicable Regulations).
- (b) Any Bonds repurchased by the Issuer or its subsidiaries may at the Issuer's discretion be retained, sold or cancelled by causing such Bonds to be deleted of the records of the CSD.

3.9 Preconditions to redemption, purchase, variation or substitution

- (a) Prior to the publication of any Redemption Notice before the Maturity Date or any purchase, variation or substitution of the Bonds, provided that no Capital Requirement Breach has occurred or is continuing, the Issuer will be required to be in continued compliance with the applicable capital adequacy requirements set out in the Applicable Regulations and on the same date as publishing any Redemption Notice before the Maturity Date or making any purchase, variation or substitution of the Bonds the Issuer shall deliver to the Bond Trustee a certificate signed by an authorised signatory of the Issuer confirming such compliance. Any such certificate shall be conclusive evidence of such compliance (it being declared that the Bond Trustee may rely absolutely on such certification without liability to any person).
- (b) Prior to the publication of any Redemption Notice or notice of variation or substitution pursuant to any Optional Redemption by the Issuer upon the occurrence of a Capital Disqualification Event, Rating Agency Event or Taxation Event, the Issuer shall deliver to the Bond Trustee (A) in the case of a redemption, variation or substitution in a Taxation Event a certificate signed by an authorised signatory stating that any or all of the requirements referred to in paragraphs (i), (ii) or (iii) in the definition of Taxation Event will apply on the next Interest Payment Date and cannot be avoided by the Issuer taking reasonable measures available to it, together with an opinion of independent tax counsel of recognized standing to such effect and the Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above; and (B) in the case of a redemption, variation or substitution in a Capital

Disqualification Event or Rating Agency Event, a certificate signed by an authorised signatory stating that a Capital Disqualification Event or Rating Agency Event (as applicable) has occurred and is continuing. Any such certificate shall be conclusive and binding on the Bondholders.

- (c) In the case of a redemption or purchase within the period of five (5) years from the Issue Date, (i) the Issuer shall deliver a statement determining that the circumstance entitling it to exercise the right of redemption or purchase was concluded or judged to have been unlikely to occur at the Issue Date; and (ii) such redemption or purchase shall be funded out of the proceeds of a new issuance of capital of at least the same quality as the Bonds (unless such requirement no longer exists under the Applicable Regulations).

3.10 Events of default

- (a) These Bond Terms do not contain any event of default provision and the Bond Trustee (on behalf of the Bondholders) may not declare any event of default by the Issuer of any of its obligations under these Bond Terms neither on the basis of these Bond Terms nor on the basis of general principles of Norwegian law.

- (b) Each Bondholder shall immediately upon request by the Bond Trustee provide the Bond Trustee with any such documents, including a written power of attorney (in form and substance satisfactory to the Bond Trustee), as the Bond Trustee deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents. - (d) Subject to the power of the Bond Trustee to take certain action as set out in Clause 7.1 (*Power to represent the Bondholders*), if a resolution by, or an approval of, the Bondholders is required, such resolution may be passed at a Bondholders' Meeting. Resolutions passed at any Bondholders' Meeting will be binding upon all Bondholders.

If the Summons contains proposed amendments to these Bond Terms, a description of the proposed amendments must be set out in the Summons.

- (e) Items which have not been included in the Summons may not be put to a vote at the Bondholders' Meeting.
- (f) By written notice to the Issuer, the Bond Trustee may prohibit the Issuer from acquiring or dispose of Bonds during the period from the date of the Summons until the date of the Bondholders' Meeting unless this would constitute a breach by the Issuer's obligations pursuant to Clause 3.4.1 (*Covenant to pay*).
- (g) A Bondholders' Meeting may be held on premises selected by the Bond Trustee, or if paragraph (b) above applies, by the person convening the Bondholders' Meeting (however to be held in Oslo). The Bondholders' Meeting will be opened and, unless otherwise decided by the Bondholders' Meeting, chaired by the Bond Trustee (the "**Chairperson**"). If the Bond Trustee is not present, the Bondholders' Meeting will be opened by a Bondholder and the Chairperson elected by the Bondholders' Meeting.
- (h) Each Bondholder, the Bond Trustee and, if the Bonds are listed, representatives of the Exchange, or any person or persons acting under a power of attorney for a Bondholder, shall have the right to attend the Bondholders' Meeting (each a "**Representative**"). The Bondholders Meeting may resolve to exclude the Issuer's representatives and/or any person holding only Issuer's Bonds (or any representative of such person) from participating in the meeting at certain times, however, the Issuer's representative and any such other person shall have the right to be present during the voting.

- (b) Issuer's Bonds shall not carry any voting rights. The Chairperson shall determine any question concerning whether any Bonds will be considered Issuer's Bonds.
- (c) For the purposes of this Clause 6 (*Bondholders' decisions*), a Bondholder that has a Bond registered in the name of a nominee will, in accordance with Clause 5.3 (*Bondholders' rights*), be deemed to be the owner of the Bond rather than the nominee. No vote may be cast by any nominee if the Bondholder has presented relevant evidence to the Bond Trustee pursuant to Clause 5.3 (*Bondholders' rights*) stating that it is the owner of the Bonds voted for. If the Bondholder has voted directly for any of its nominee registered Bonds, the Bondholder's votes shall take precedence over votes submitted by the nominee for the same Bonds.
- (d) Any of the Issuer, the Bond Trustee and any Bondholder has the right to demand a vote by ballot. In case of parity of votes, the Chairperson will have the deciding vote.

6.4 Repeated Bondholders' Meeting

- (a) Even if the necessary quorum set out in paragraph (d) of Clause 6.1 (*Authority of the Bondholders' Meeting*) is not achieved, the Bondholders' Meeting shall be held and voting completed for the purpose of recording the voting results in the minutes of the Bondholders' Meeting. The Bond Trustee or the person who convened the initial Bondholders' Meeting may, within ten Business Days of that Bondholders' Meeting, convene a repeated meeting with the same agenda as the first meeting.
- (b) The provisions and procedures regarding Bondholders' Meetings as set out in Clause 6.1 (*Authority of the Bondholders' Meeting*), Clause 6.2 (*Procedure for arranging a Bondholders' Meeting*) and Clause 6.3 (*Voting rules*) shall apply *mutatis mutandis* to a repeated Bondholders' Meeting, with the exception that the quorum requirements set out in paragraph (d) of Clause 6.1 (*Authority of the Bondholders' Meeting*) shall not apply to a repeated Bondholders' Meeting. A Summons for a repeated Bondholders' Meeting shall also contain the voting results obtained in the initial Bondholders' Meeting.
- (c) A repeated Bondholders' Meeting may only be convened once for each original Bondholders' Meeting. A repeated Bondholders' Meeting may be convened pursuant to the procedures of a Written Resolution in accordance with Clause 6.5 (*Written Resolutions*), even if the initial meeting was held pursuant to the procedures of a Bondholders' Meeting in accordance with Clause 6.2 (*Procedure for arranging a Bondholders' Meeting*) and vice versa.

6.5 Written Resolutions

- (a) Subject to these Bond Terms, anything which may be resolved by the Bondholders in a Bondholders' Meeting pursuant to Clause 6.1 (*Authority of the Bondholders' Meeting*) may also be resolved by way of a Written Resolution. A Written Resolution passed with the relevant majority is as valid as if it had been passed by the Bondholders in a

Bondholders' Meeting, and any reference in any Finance Document to a Bondholders' Meeting shall be construed accordingly.

- (b) The person requesting a Bondholders' Meeting may instead request that the relevant matters are to be resolved by Written Resolution only, unless the Bond Trustee decides otherwise.
- (c) The Summons for the Written Resolution shall be sent to the Bondholders registered in the CSD at the time the Summons is sent from the CSD and published at the Bond Trustee's web site, or other relevant electronic platform or via press release.
- (d) The provisions set out in Clause 6.1 (*Authority of the Bondholders' Meeting*), 6.2 (*Procedure for arranging a Bondholder's Meeting*), Clause 6.3 (*Voting Rules*) and Clause 6.4 (*Repeated Bondholders' Meeting*) shall apply *mutatis mutandis* to a Written Resolution, except that:
 - (i) the provisions set out in paragraphs (g), (h) and (i) of Clause 6.2 (*Procedure for arranging Bondholders Meetings*); or
 - (ii) provisions which are otherwise in conflict with the requirements of this Clause 6.5 (*Written Resolution*),shall not apply to a Written Resolution.

 - (i) instructions as to how to vote to each separate item in the Summons (including instructions as to how voting can be done electronically if relevant); and
 - (ii) the time limit within which the Bond Trustee must have received all votes necessary in order for the Written Resolution to be passed with the requisite majority (the "**Voting Period**").
- (f) The Voting Period shall be at least three (3) Business Days but not more than fifteen (15) Business Days from the date of the Summons, provided however that the Voting Period for a Written Resolution summoned pursuant to Clause 6.4 (*Repeated Bondholders' Meeting*) shall be at least ten (10) Business Days but not more than fifteen (15) Business Days from the date of the Summons.
- (g) Only Bondholders of Voting Bonds registered with the CSD on the Relevant Record Date, or the beneficial owner thereof having presented relevant evidence to the Bond Trustee pursuant to Clause 5.3 (*Bondholders' rights*), will be counted in the Written Resolution.
- (h) A Written Resolution is passed when the requisite majority set out in paragraph (e) or paragraph (f) of Clause 6.1 (*Authority of Bondholders' Meeting*) has been achieved, based on the total number of Voting Bonds, even if the Voting Period has not yet expired. A Written Resolution may also be passed if the sufficient numbers of negative votes are received prior to the expiry of the Voting Period.

- (i) The effective date of a Written Resolution passed prior to the expiry of the Voting Period is the date when the resolution is approved by the last Bondholder that results in the necessary voting majority being achieved.
- (j) If no resolution is passed prior to the expiry of the Voting Period, the number of votes shall be calculated at the close of business on the last day of the Voting Period, and a decision will be made based on the quorum and majority requirements set out in paragraphs (d) to (f) of Clause 6.1 (*Authority of Bondholders' Meeting*).
